

Gang Criminal Activity

Gang members can be involved in a wide variety of crimes.
Some specialize in certain crimes and operate with a business like efficiency.

National Retail Federation

The 2013 National Retail Federation's Organized Crime Retail Report showed the following statistics nationally.

1

Organized Retail Crime Gangs

9 in 10 retailers still report being victimized by Organized Retail Crime Gangs.

2

E-Fencing

6 in 10 retailers say they have seen an increase in e-fencing activity in the past year, up 49% from last year.

3

Organized Retail Crime

94% of retailers still say they have been a victim of ORC in the past year.
