

GANG ENFORCEMENT

GANG ADOPTED SPORTS AND CORPORATE LOGOS

The information within this document details historical and current ways in which gang members throughout the United States use corporate, professional and college sports team clothing to represent their gang affiliation(s). This information is for awareness use only and should not be the determining factor for ones gang affiliation and/or association but instead used as a tool or reference point to begin fitting the pieces in totality of one's possible affiliation. This list is not an all inclusive list and is updated regularly – if you have additional information, please contact Command@GangEnforcement.com
